

Live to ride, Ride to Visit, Visit to Live

So do not Fear, for I am with you, do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.

Isaiah 41:10

Trust in the Lord with all your heart and lean not on your own understanding; in all ways acknowledge him and he will make your paths straight. Do not be wise in your own eyes; fear the Lord and shun evil. This will bring health to your body and nourishment to your bones.

Proverbs 3:5-8

For you gals in need or just wanting to help...

It has been said that there are two types of bikers; those who have been in a motorcycle accident and those who are going to be!

As a group we realize that there is a certain amount of truth to this but we don't quite accept that it may not always be "the other guy".

Biker Down Ministry

We are Christian Biker Prayer Warriors who volunteer time and resources to assist bikers (and/or their family) who have been in accidents or are dealing with illness.

There are many of us throughout the country and we are here to serve God by helping anyone whether they are in the Biker Community or not. We all love to ride and want to assist all bikers who are 99%er's, 1%er's, M/C's, M/M's, Christian or not.

We are brothers and sisters who know the freedom of the road and the dangers of riding motorcycles.

Life is a journey and an adventure and riding a motorcycle is a great way to get there.

We pray that you will not have something happen to you but, if it does, we are here to help.

Our volunteers are from many different motorcycle ministries and churches willing to reach out to visit and pray with you and your families at any time you need us.

Rapid Response System

Our **Rapid Response System** coordinates and makes available a global team of Christian bikers from many various Motorcycle Ministries (M/M's) who are willing to go to hospitals and administer help and prayer to bikers (and family) who have been in an accident, sick or just need a fellow biker to visit them in the hospital, rehab center or home.

We refer to these special approved visitation volunteers as: "**Road Warriors**".

All injured or sick bikers are eligible for a visit by our volunteer team of "Road Warrior" prayer bikers.

You can call our system toll free at **1-877-480-1643** OR visit our website: **BikerDownMinistry.com** and use the Contact Us button.

We are front line responders to assist in Spiritual and Emotional needs. We are available for hospital visitation, pray with family, and we can assist with funerals as well.

Again, we are here for all people, anywhere, anytime. We are here to help you through tough times.
